

Student Pick-Up

I authorize the following people to pick my child(ren) up when school is dismissed. Please include yourself or other parents who may pick up. Any name listed here must also be on the blue emergency card. We will assign each child a number and give you a card to display in your car window so that we may release your child to you.

***Please note that if cards are not presented at the time of pick up, you will need to go into the office and show identification for your child to be released. ***
