Dear Parent/Guardian,

One of our most important functions in Jessamine County is to provide the safest learning environment possible for all of our students and school staff members; therefore, it is important we communicate with families and the community all necessary information in order to be preventative.

Terroristic threatening in Kentucky P-12 schools is on the rise and these threats create an unsettling, chaotic environment that in the past resulted in school closings during investigation and poor attendance days following the incident. It is important that all stakeholders understand the legal definition of terroristic threatening in order to partner with the school system to prevent these occurrences.

Terroristic Threatening in the second degree is defined in state law (KRS 508.078)

(1) A person is guilty of terroristic threatening in the second degree when, other than as provided in KRS 508.075, he or she intentionally:

b) Makes false statements by any means, including by electronic communication, for the purpose of:

1. Causing evacuation of a school building, school property, or school-sanctioned activity;
2. Causing cancellation of school classes or school-sanctioned activity; or
3. Creating fear of serious bodily harm among students, parents, or school personnel

(For the complete text for KRS 508.078 please see the attached page.)

The purpose of this letter is to notify all parents and guardians that school district officials (in coordination with responding law enforcement agencies) will pursue immediate legal charges for felony terroristic threatening in the second degree, to the absolute fullest extent of the law, against anyone who makes such threats.

Our approach to eliminating terroristic threatening in our school and district is strong and unwavering, and as a result, it is imperative that you discuss this critically important matter with your student as soon as possible. School and law enforcement officials are working collaboratively with the district and school system to stop these threats. We ask our families to talk with your child to ensure that your student never becomes a party to such an offense by educating him/her on the seriousness of this act.

Together we can prevent this unnecessary, dangerous, and disruptive crime from victimizing our schools. I appreciate your partnership in keeping our school the safest place for your student to learn and grow.

If you have any questions or concerns, please contact me at your convenience.

Sincerely,

Matt Moore
Superintendent
