

Dear Parents,

Welcome to a new school year! I know that life can get a little crazy when the kids start school and deadlines seem to come up on you without warning. For the past two school years, I have used a text reminder application that will allow me to periodically send out classroom and school reminders via text message to help take the burden of remembering off you. This year we have 2 text systems: 4th grade and Casto Homeroom.

To participate in receiving class text message reminders, download the Remind app or visit remind.com and put in class code: "@castoroom". Once added to this "class," I will then add you to the 4th grade one as well.

Rest assured that you will not receive advertisement texts and your phone number will remain private. You may choose to opt at anytime by messaging 'stop' to the above number. Please be sure to update your information if you change phone numbers during the school year.

It is my hope that this will help strengthen the home-school connection by reminding you about important dates and tests in the classroom. It becomes increasingly beneficial during those NTI days! Please do not hesitate to contact me if you have any questions. Thanks so much!

Mrs. Casto
